

Trattoria FIAT presents

NEW YEAR'S EVE 2026

As tradition has it, we are celebrating New Years Eve at Trattoria FIAT.

Join us for a wonderful dinner and welcome the New Year together with us.

We welcome you at 5:30 PM in our beautiful courtyard with oysters, snacks and bubbles. Together, we will watch the Kings New Years Speech, before continuing the evening with a four-course New Years Eve menu accompanied by carefully selected wines, followed by coffee and avec.

Before midnight, we will raise a glass of bubbles, say thank you for the year gone by, and welcome the New Year with the fireworks at Kongens Nytorv.

*For allergies or groups larger than 12 guests,
please contact the restaurant at fiat@sovino.dk.*
